Al Rostamani Trading Company (ARTC) was established in 2002 as part of Al Rostamani Group's strategic growth into the automotive sector. Over the past two decades, ARTC has become a trusted name in the UAE's mobility industry, representing leading international brands and delivering comprehensive automotive solutions built on quality, reliability, and value.

Al Rostamani Trading Company (ARTC) is a member of Al Rostamani Group, one of the UAE's most respected family business conglomerates, founded by Abdulla Hassan Al Rostamani in the early 1950s. Guided by the Group's values of Commitment, Care, and Vision, Al Rostamani Group operates across multiple sectors including automotive, general trading, real estate and construction, solar energy, financial services, travel and tourism, and technology solutions.

ARTC is the exclusive distributor of Suzuki and Citroën automobiles in the UAE. Through an expanding network of 17 showrooms and service centres nationwide, ARTC provides a complete automotive experience encompassing vehicle sales, after-sales services, body and paint repairs, and genuine spare parts. Serving both individual and institutional customers, including fleet operators and government entities, the company upholds the highest standards of service excellence and operational integrity.

With a focus on continuous improvement, ARTC integrates digital innovation and customer insight to enhance accessibility, efficiency, and satisfaction. Its commitment to sustainability and responsible growth reflects the Group's vision for a future-ready mobility ecosystem that meets evolving customer needs and contributes to national progress.
